MPIOA & JOA

iora2018@gmail.com | www.iora2018.com

Welcome Message

Dear Colleagues,

We are grateful to the office bearers and members of Indian Orthopaedic Rheumatology Association for reposing their faith in the Orthopaedic Surgeons of Jabalpur City. Two decades have elapsed since the city hosted the landmark 37th Annual Conference of the Indian Orthopaedic Association in December 1998. All of you who attended the conference must be remembering our very personalized hospitality. A lot of water has passed through our holy river Narmada since then, and we have a new generation of dynamic orthopaedic surgeons in the city.

The IORA has been created to focus on Rheumatological problems seen by Orthopaedic Surgeons in their clinical practice and to exchange knowledge on the emerging developments in their diagnosis and management. It is the best platform to discuss and seek answers from experts for a plethora of conditions.

We very cordially invite you for the 10th IORACON be held on the 29th and 30th September 2018, in the Netaji Subhash Chandra Bose Medical College, Jabalpur. The Conference will also have a dedicated time slot for the Indian Stem Cell Study Group (ISCSG), in which emerging techniques of Stem Cell Therapy will be presented by leading scientists in this field.

The city of Jabalpur is famous for the Marble Rocks, Dhuandhar Waterfalls with its Ropeway, and Bargi Dam with its water sports. It is also the central city for visits to Kanha, Bandhavgarh and Pench National Parks, famous for Tiger Safaris.

We look forward to welcome you once again in the heart of India. Do keep the dates reserved for us, and add a couple of days extra for sightseeing, and visits to these places.

With Best Regards

Dr. HKT Raza
