The **Indian Orthopaedic Rheumatology Association (IORA)** is a pioneering organization dedicated to advancing academic and clinical excellence in Orthopaedic Rheumatology. By fostering collaborations with global experts, IORA provides a dynamic platform for learning, research, and innovation. Its flagship *International Journal of Orthopaedic Rheumatology (IJOR)* serves as a peer-reviewed hub for cutting-edge research, bridging basic science with clinical practice.

IORA is also at the forefront of **regenerative therapies**, exploring stem cell applications for challenging conditions like AVN, osteoarthritis, and rheumatoid arthritis. Through conferences, publications, and member engagement, IORA empowers medical professionals to deliver transformative care, shaping the future of musculoskeletal health in India and beyond.

Final Note

01

IJOR's Contribution to the Scientific Community

IJOR has significantly advanced scientific knowledge by promoting interdisciplinary research, supporting emerging scholars, and disseminating innovative findings, thereby strengthening global collaboration within the scientific community.

02

Forward Outlook and Commitment

Emphasizing strategic growth and collaboration, we commit to advancing IJOR 2025's goals with innovation and dedication, ensuring impactful outcomes and sustained progress in the coming years.

03

Closing Quote: "IJOR continues to advance orthopaedic rheumatology research and global academic impact."

IJOR consistently drives innovation in orthopaedic rheumatology research, fostering global collaboration and enhancing academic influence, solidifying its role as a leader in advancing the field worldwide.

DRAFT

This is to inform all that the Executive Committee of Ionian Orthopaedic Rheumatology Association have agreed to start IORA Fellowship for senior orthopaedic surgeon who are members of IORA or who are members of IOA.

The criteria is the stalwart should have completed 25yrs in the practice with exposure to ortho rheumatology cases or the person should have 20 yrs of teaching experience in reputed teaching institutions along with he / she should be taking care of Ortho Rheumatology cases.

We are requesting hereby to kindly submit the Google form for this, once it has been approved by IORA the person will be awarded as "IORA Fellow" which he/she can write in his letterhead or in the resume.

A nominal fee of Rs.1000.00 has been proposed by the Executive Committee Members of IORA.

Thank you

To ,
Ms. Mamata Banerjee
Honourable Chief Minister, West Bengal
Nabanna(14th floor),325, Sarat Chatterjee Road,
Shibpur, Howrah
711102
Subject: Urgent appeal and prayer for resolution of Junior Doctors' Hunger strike

We all know that our beloved juniors are on a fast-unto-death mission for past 72 hours to improve the status of healthcare delivery services in the state of West Bengal.
Our juniors through the WB Junior Doctors Front have issued a list of ten reasonable demands that need to be fulfilled by the state government immediately.
Sadly however, the government is yet to respond to the WBJDF's demands in any meaningful manner. On the other hand the state has tried to apply every available pressure on our juniors to break their resolve.
Put in this grave situation, we the senior doctors of the State of West Bengal cannot bear to see our beloved juniors inching towards their slow and agonising deaths. Their plight has not moved the administration so far, but has deeply touched the souls, the conscience of all of us - the seniors in the Medical Profession.
As such, we are not in a mental state to work.
The government doctors have already proceeded with submission of en-masse resignations to jolt the government out of their slumber.

To state the obvious, if our juniors cannot take food, how can we swallow any food ourselves?
Therefore we are unable to attend to our duties on empty stomach risking our lives, from 12-midnight today onwards TILL THE TIME THE HEADS OF THE State Administration sit with the WBJDF to resolve this impasse.
We must assure the state that any recklessness in handling this situation can have grave consequences which are unprecedented in the history of the state or the country or indeed the world.

I hope better sense prevails on you and immediate affirmative action is taken at your end.

With sincere regards

DR AMITAVA NARAYAN MUKHERJEE
PRESIDENT

DR.PARTHA SARATHI SARKAR
SECRETARY GENERAL

**Fellowship in Interventional Orthobiologics – Orthorheumatology
FEIORA (Under the aegis of Indian Stem Cell Study Group & affiliated
to Trans European Stem cell society, Swiss clinic and in academic
collaboration with RML law univ, Lucknow & IndianOrthopaedic
Rheumatology Association**

Dear Sir /Madam

2020 onwards we had started “Fellowship in Orthopedic Rheumatology” under academic Collaboration of **Indian Orthopaedic Rheumatology Association(IORA)**, **Indian Stem cell Study Group** affiliated to Dr Ram Manohar Lohiya National Law university , Lucknow . Further ,in 2023 we started FERIO – Orthobiologics fellowship

On the required need and academic demand we are Combining two fellowship together from 2025 onwards which would be named as Orthobiologics Orthorheumatology Fellowship programme .
(Fellowship in Int Orthobiologics Orth rheum)= FEIORA

On 24th May ,we are inducting the 6th Batch Feiora along with the exit ceremony of FEIORA 2024 batch .We request your kind presence to grace the occasion for the same . The prog flow is being attached here.

आज से पटना के होटल चाणक्य में होगा
IORACON 2025 का दो दिवसीय सम्मेलन
देशभर से जुटेंगे 500 से अधिक हड्डी रोग विशेषज्ञ

बिहार जागरण, सुधीर मधुकर

पटना। होटल चाणक्य में 1-2 नवंबर 25 को दो दिवसीय ग्लोबल ऑर्थोपेडिक फोरम द्वारा IORACON 2025 का आयोजन किया गया है। इसकी जानकारी आयोजन कमिटी के सचिव एवं बिहार के जाने माने हड्डी रोग विशेषज्ञ डॉ अमूल्य कुमार सिंह ने देते हुए बताया कि इस सम्मलेन में शामिल होंगे देशभर के 500 से अधिक हड्डी विशेषज्ञ । उन्होंने कहा कि राष्ट्रीय स्तर के इस सम्मेलन के आयोजन का मुख्य उद्देश्य, बिहार के ऑर्थोपेडिक चिकित्सकों को विश्व के मानचित्र में स्थिति करना है। वहीं दूसरी ओर उन हड्डी विशेषज्ञों के हड्डी रोग के प्रति आधुनिक जानकारी को बढ़ाना है, जो सुदूर क्षेत्रों में काम करते हैं। सम्मेलन में विश्वस्तरीय बाल चिकित्सा और वयस्कों में रूमेटोइड गठिया और स्पोण्डिलोआर्थ्रोपैथी जो कि आधुनिक समय में प्रचलित है, उन तकनीकों को बताना है। जिससे विश्वस्तरीय चिकित्सीय प्रणाली का लाभ मरीज उठा सकें। गठिया मरीजों को जोड़ों के दर्द से मुक्ति मिल सके।

**THANK YOU ALL OUR ESTEEMED
